

2023 Fellowship Opportunity

Social Enterprise: SuitUp

About: SuitUp equips students for life beyond the classroom by partnering with schools/youth organizations and businesses to ensure that all students have the access and awareness to pursue the college and career of their choosing. SuitUp programs empower students to discover their passions through experiential learning opportunities and mentorship alongside corporate volunteers.

Website: VolunteerSuitUp.com

Location of Research: New York, USA

Action Research Project:

- Analyze current onboarding process and procedures
- Create onboarding process and procedure manual
- Analyze and research the current process and procedures of contractual staff and interns
- Create report of recommendations and results of the process and procedure improvements

Student Skills: Deep knowledge of business analytics, PowerPoint, and critical thinking skills are required. Social science research methodology is preferred.
